DESCRIPTION

This double-wall bottle is made from recycled stainless steel and holds 700 ml, ideal for everyday use at work, the gym or events. Its slim profile (Ø7 x 26.5 cm) and matte finish as shown in the photo give a practical, unobtrusive look, while the wide neck makes filling and cleaning straightforward.

The Boali model includes a leak-proof screw cap and an interchangeable straw lid with attached straw for spill-free drinking. The double-wall construction provides good insulation and the stainless rim around the mouth adds a clean finishing touch. Available in several colours, for example Black, White and Navy, it fits most cup holders and is easy to handle on the go.
