DESCRIPTION

Made from recycled stainless steel, this 500 ml double-walled bottle offers a durable, insulated option for everyday drinks. It features a removable 310 ml cup and a foldable screw cap with a carrying ring; the leak-proof design makes it suitable for offices, events and outdoor activities. Dimensions Ø7.5x31.5 cm — the slim profile is easy to hold and simple to clean with warm water and mild detergent.

The cup detaches for independent use and the ring-top cap allows convenient carrying. The double-wall construction improves thermal insulation and adds protection against minor impacts. Model Atera comes in several colour options such as matte silver to match corporate or event branding.

This bottle can be personalised by digital printing, laser engraving, screen printing on objects and pad printing. Suitable for companies, sports clubs, associations, schools and private customers. Minimum order: 8 pieces (colours and sizes combined). Free quote within 24 hours on weekdays, graphic studio available to vectorise or refine your logo, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
