DESCRIPTION

Compact ABS power bank integrating a three-temperature hand warmer (40º, 45º and 50º) with a 4000 mAh battery, designed to warm hands while charging a device. The unisex Tricpower model features rounded, slim lines, Type-C input/output, a USB-A output and charge indicators. Size: 13.5 x 7.5 x 3.15 cm, and it comes with a wrist strap for easy carrying.

The smooth ABS housing offers a clean, functional look suited to everyday use. Supplied with a Type-C to Type-C cable and a Type-A adapter, controls and indicators are integrated into the casing for straightforward operation. Its compact form makes storage in a pocket or bag convenient.

Customisation options include laser engraving, digital printing, doming and pad printing, making this a personalised power bank ideal for companies, sports clubs, associations and event giveaways. Minimum order: 20 pieces (colours and sizes combined); lower quantities may be possible with additional fees. Free quotes within 24 hours on weekdays and our graphic studio can prepare or vectorise your logo.
