DESCRIPTION

Compact bamboo salt and pepper box (Ø11.5x5cm) with two compartments and an integrated spoon. The lid rotates to open and keeps the spoon neatly in place, making seasoning straightforward. As a natural material, bamboo may show slight variations in colour and grain between items.

The circular shape and smooth bamboo finish make this utensil pleasant to handle and practical for everyday kitchen use. The rotating lid secures contents and prevents the spoon from shifting. Hand wash only to preserve the wood; avoid prolonged soaking. Dimensions: Ø11.5x5cm.

Customisation available by laser engraving or pad printing, ideal for companies, sports clubs, associations, events and private customers who want a tasteful, useful gift. Minimum order: 15 pieces (colours and sizes combined). Personalised kitchen utensil — free quote within 24 hours on weekdays and a graphic studio available to retouch or vectorise your logo.
