DESCRIPTION

The Minibrella folding umbrella is an ultra-light, travel-friendly choice for individual protection. Its pongee polyester (PET) canopy and three-fold design give a compact profile when closed; the carbon-fibre shaft and ribs combine lightness with improved wind resistance. With an open span of Ø50 x 90 cm and manual open/close operation, it's straightforward to use and slips into its supplied pouch for easy carrying.

Practical finishing touches include a compact handle with wrist strap, plastic tips and discrete stitching across the canopy to maintain shape. Care is minimal: allow the PET fabric to air dry before storing to preserve the material.

This umbrella is suitable as a personalised product for companies, clubs, associations, events and private customers, using screen printing, multicolour transfer, DTF printing or flex. Minimum order: 50 pieces (colours and sizes combined). Ideal as a compact promotional gift or event accessory.
