DESCRIPTION

Stainless steel double-wall travel cup, 700 ml capacity, dimensions Ø8 x 21.5 cm. Designed to keep drinks insulated and reduce heat transfer, it features a PP lid with a retractable straw and a PU carrying strap attached by metal rings. The textured mid-section visible in the photo improves grip. The cup is leak-resistant and suitable for commuting or outdoor breaks. Care is straightforward: rinse after use and avoid harsh cleaning to preserve the lid.

The cup is offered in multiple colours and has a straight, stable silhouette without a handle. The locking lid with retractable straw keeps drinking hygienic on the move, and the strap enables hands-free carrying. Its size and capacity make it practical for daily travel and events where single-use items are to be avoided.

Customisable by laser engraving, embossing, screen printing, digital printing or pad printing, this personalised travel cup is ideal for companies, sports clubs, associations, events and corporate gifts. Minimum order: 8 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; graphic studio available to vectorise your logo; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
