| **Country of origin** | China |
| **Carton** | 15 pieces |

## DESCRIPTION

Glass lunchbox in borosilicate with three compartments, model Tundra 3. With an 800 ml capacity and compact dimensions (20 x 14.5 x 6 cm), it is designed to carry a complete meal. The bamboo lid gives a natural finish and a silicone band secures the closure. As bamboo is a natural material, slight variations in colour and finish may occur between items.

The glass containers are easy to clean and do not retain odours; the flat lid also allows discreet stacking. The design is straightforward with no textile parts or complex fastenings, making daily use and maintenance simple. The three compartments help keep foods separate during transport.

Recommended for companies, clubs, associations, events and individuals looking for a practical, long-lasting option. Customisation available by personalised lunchbox techniques: pad printing, digital printing, doming or laser engraving; our graphic studio can retouch or vectorise your logo. Minimum order: 8 pieces (colours and sizes combined). Ideal for corporate gifts, event merchandise or retail use.

## COLOURS (1)

Transparent
