DESCRIPTION

The Sono gift set houses a stainless-steel corkscrew with a double helix, neatly fitted inside a bamboo presentation box. The bamboo handle and box offer a warm tactile feel and compact storage at 16.5 x 6.8 x 2.8 cm. As a natural material, bamboo exhibits slight variations in colour and grain from piece to piece.

The sliding lid keeps the opener secure and protected when not in use, and the visible grain gives the set a handcrafted appearance. Wipe the bamboo with a damp cloth and avoid prolonged immersion to maintain the finish.

This item requires a minimum order of 30 pieces. Customisation options include digital printing, doming, laser engraving and pad printing, depending on the desired result.
