Average weight	0.003
Dimensions	Ø4 x 0,2CM
Country of origin	China
Carton	2000 pieces

DESCRIPTION

This round bamboo keyring is a natural, lightweight accessory intended for everyday use. The flat disc (Ø4 x 0.2 cm, model Roundboo) has a smooth finish that highlights the bamboo grain and provides a clean surface for marking. As bamboo is a natural material, slight variations in colour and pattern may occur between items.

The disc features a small drilled hole near the edge and comes with a metal split ring for secure attachment to keys. Its flat profile ensures precise marking. Care is straightforward: wipe with a damp cloth and avoid prolonged exposure to moisture to preserve the wood.

Customisation options include digital printing, doming, laser engraving and pad printing. This personalised keyring is suitable for businesses, sports clubs, associations, events and individuals seeking a natural promotional item. The minimum order quantity for this product is 1000 pieces (colours and sizes combined); our graphic studio can refine or vectorise your logo for optimal printing.
