DESCRIPTION

This rectangular bamboo keyring is a lightweight, natural accessory. Measuring 4.5 x 3 x 0.2 cm, it is thin and flat with a small drilled hole near one corner and a separate metal split ring for easy attachment to a set of keys. As a natural material, bamboo may show slight variations in grain and tone between items, giving each piece a distinct look.

The keyring features rounded edges and a smooth surface suitable for everyday use; its compact, flat profile sits comfortably in pockets and bags without bulk. Care is simple: wipe with a damp cloth and allow to air dry.

Personalise this personalised keyring using several techniques: digital printing (impression numérique), doming, laser engraving (gravure laser) or pad printing (tampographie). Recommended for companies, clubs, associations, events and promotional gifts — please note the minimum order is 1000 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our graphic studio can vectorise your logo.
