DESCRIPTION

This bamboo keyring shaped like a house is a lightweight, natural promotional item for everyday use. Its flat profile and compact size (4.5 x 3.8 x 0.2 cm) make it easy to carry in a pocket or bag. The bamboo surface shows natural variations in grain and tone, giving a warm, tactile finish; wipe clean with a damp cloth and avoid prolonged exposure to moisture.

The design features a reinforced hole for the metal split ring and a clean-edged, flat face that's perfect for marking. The proportions and slim thickness keep it unobtrusive while remaining sturdy enough for daily keys. Offered in a wood finish.

This personalised keyring can be decorated by digital printing, doming, laser engraving or pad printing. Ideal for businesses, estate agents, clubs and events looking for a practical, eco-friendly giveaway. Minimum order: 1000 pieces (colours and sizes combined).
