DESCRIPTION

Reusable 300 ml bamboo cup, Galao model, designed for everyday use. Its straight profile and single-wall construction provide a comfortable grip, complemented by a cork band that insulates and improves handling. The bamboo lid gives a natural finish; note that the single wall may transfer heat from hot drinks. Available in several colours such as Black, White and Beige.

With compact dimensions (Ø8.5 x 10 cm), the cup is easy to carry and suits office or event use. Bamboo and cork are natural materials, so slight variations in colour, grain and size can occur from piece to piece.

Customize this cup for companies, sports clubs, associations, events or retail with laser engraving and pad printing. Minimum order: 20 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our studio can vectorise or retouch your logo for production.
