## DESCRIPTION

Unisex 5-panel cap in a classic baseball cut, made from reflective PET. The 5-panel construction gives a smooth, rounded profile; the pre-shaped peak shows visible topstitching for stability. The crown features four sewn eyelets for ventilation and a hook-and-loop closure at the back. Size listed: 7 1/4. Overall dimensions: 22 x 16 x 12 cm. Care is straightforward—spot-clean with a damp cloth and avoid intensive machine washing to preserve the reflective finish.

Designed for outdoor use, the cap is lightweight and suited to events or activities where increased visibility is required. The reinforced stitching on the peak and panels helps the cap keep its shape. The PET material provides a sleek, technical appearance, making it appropriate for promotional use.

Ideal as a personalised cap for companies, clubs, associations and events, this model is available from a minimum order of 50 pieces (colours and sizes combined). Decoration options include multicolour transfer, DTF printing and screen printing on objects. Our graphic studio can retouch or vectorise your logo; free quote within 24 hours on weekdays. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
