DESCRIPTION

The Destello sports backpack is a unisex, foldable bag made from PET (190T) designed for compact everyday use. Measuring 36 x 11 x 39.5 cm, it packs away into its small pouch for easy storage. The reflective finish improves visibility while keeping the fabric lightweight and low-maintenance.

The bag features a front zip pocket plus a smaller lower pocket, sturdy zip closures and adjustable shoulder straps with mesh inserts for added comfort. Clean stitching and a slim profile make it practical for short hikes, cycling or urban commuting, and it remains compact when folded.

This personalised backpack can be customised using screen printing (screen printing). It is suitable for companies, sports clubs, associations, events and private individuals who need a compact, reflective promotional item. Minimum order: 50 pieces (colours and sizes combined).
