DESCRIPTION

The Ostur Large cheese board is crafted from acacia wood and comes with a matching knife and hanging cord. Measuring 29 x 26 x 2 cm, its rectangular profile provides a stable surface for slicing and serving. As a natural material, the wood shows slight variations in colour and grain, giving each board an individual character.

Presented in a cardboard gift box, the board is easy to maintain with a damp cloth—avoid the dishwasher to preserve the wood and knife. The simple, practical design makes it well suited to receptions and entertaining.

Customisation available by screen printing or laser engraving for a subtle, durable mark. Perfect for businesses, clubs, associations, events and private customers seeking a personalised kitchen utensil. Minimum order: 8 pieces (colours and sizes combined).
