DESCRIPTION

The Veika personalised candle is made from vegetable wax presented in a simple stoneware pot, offering a fresh linen scent and an approximate burn time of 36 hours. Its compact, unisex design is suited to indoor use (living spaces, offices, reception areas); the ceramic container gives a neat finish and is easy to maintain once the wax has burned out.

The candle comes with a natural bamboo lid; bamboo may show slight variations in colour and finish between items, giving each piece a unique touch. Dimensions are compact (Ø8 x 9.3 cm), making it practical for corporate gifts, welcome packs and event giveaways.

Customise this personalised candle with screen printing, laser engraving, pad printing or digital printing. Ideal for companies, sports clubs, associations, events and private customers. Minimum order: 8 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our graphic studio can retouch or vectorise your logo, and orders can be collected at our Evere workshop or delivered in Belgium, France and Luxembourg.
