DESCRIPTION

This bamboo star puzzle is a compact indoor game designed for focused play and quiet moments. Made from natural bamboo, each piece shows slight variations in grain and shade typical of the material. At 4.5 x 4.5 cm and supplied in a recycled paper box, it is easy to handle and suitable for office events, clubs or gift packs. The photograph highlights the raw timber texture and the interlocking block construction.

The bamboo construction makes the puzzle lightweight yet durable; the interlocking parts provide a secure fit once assembled. No surface coating is specified, so avoid prolonged contact with water to preserve the natural appearance. Its small dimensions make it convenient to distribute at events or include as a promotional item.

Customisable by digital printing or pad printing, this personalised indoor game is appropriate for businesses, sports clubs, associations, events and private customers. Please note a minimum order of 150 pieces (colours and sizes combined). Contact us for a free quote.
