DESCRIPTION

Large drawstring bag made from RPET (recycled) measuring 40 x 48 cm, designed to carry sports kit, documents or small equipment. Its simple silhouette, sturdy material and thick cords provide comfortable shoulder or backpack-style wear; the visible finish suggests a smooth, low-crease surface that is easy to care for. The Night model is offered in several colours, for example Black, Blue and White.

The bag includes a lateral zip pocket for secure storage of keys or a phone, and a drawstring closure that keeps contents in place. The construction and seams appear robust for everyday use.

This personalised drawstring bag can be printed by screen printing (screen printing), multicolour transfer, DTF printing, flex or sublimation depending on the desired look. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 25 pieces (colours and sizes combined).
