DESCRIPTION

Roll-top unisex backpack in RPET 600D with padded back and base, suited for everyday urban use or commuting. The vertical profile (32 x 13 x 61 cm) includes a RPET 210D lining, a front zip pocket for small items and padded shoulder straps for comfort. The roll-top closure lets you adjust capacity while keeping contents secure.

The central strap with buckle secures the roll-top and the reinforced base improves load stability. Visible seams define the bag’s shape and the zipped front pocket provides quick access to essentials. Care is straightforward: spot-cleaning is recommended to preserve the recycled fabric.
