DESCRIPTION

The Grenoble sports bag in RPET is designed for travel and athletic use: a compact rectangular shape (49 x 20 x 29 cm) with a top zip, dual carry handles and a padded shoulder strap. PU details reinforce high-wear areas while the RPET fabric gives a robust, low-maintenance finish. Suitable for daily club use, business trips or short breaks.

The bag features a front zip pocket, an internal pocket and two small padded compartments to protect delicate items. A trolley sleeve on the back allows attachment to luggage and side reinforcements keep the bag structured. The zips and fittings appear sturdy and the shoulder strap pad improves carrying comfort.

This item is customisable from 10 pieces: personalised sports bag using flex, screen printing on objects, multicolour transfer or DTF printing. Recommended for companies, sports clubs, associations, events and individuals. The quote will list marking costs and our studio can retouch or vectorise your logo if required.
