DESCRIPTION

The Bonheur keyring is a compact metal accessory (5.5 x 2.5 x 0.6 cm) designed for everyday use. Its satin metal plate features a heart-shaped cut-out that reveals the polyester ribbon attaching the split ring; it comes in an individual gift box, making it suitable for corporate or event gifting.

The rectangular plate with rounded corners and recessed heart detail gives a refined look while remaining durable in daily use. The split ring is joined by a polyester ribbon, providing a flexible connection between the metal tag and keys. Its small size makes it easy to carry in a pocket or bag.

Perfect as a personalised keyring for companies, clubs, associations or events, it can be customised with doming, laser engraving or pad printing depending on the desired finish. Minimum order: 100 pieces (colours and sizes combined). We provide a free quote within 24 hours on weekdays and a graphic studio to vectorise or adjust your logo.
