DESCRIPTION

Heart-shaped polypropylene dispenser containing approximately 8 g of mints. Its slim dimensions (7.2 x 6.0 x 0.6 cm) make it easy to slip into a pocket or bag. The rigid, translucent plastic reveals the pellets inside while providing solid everyday protection. Care is straightforward — wipe clean with a damp cloth.

The compact case features an integrated flip that dispenses mints one at a time. The smooth surface offers a clear printing area for a logo or message, and its size suits trade shows, promotional campaigns and event giveaways.

Minimum order: 500 pieces (colours and sizes combined); smaller quantities may be available with additional fees. Personalisation available with digital printing and pad printing. Recommended for businesses, clubs, associations, events and promotional gifts for individuals.
