DESCRIPTION

The Recyclo sticky note set is a compact paper desk accessory designed for office use and on-the-go note-taking. It features a recycled cardboard cover housing three adhesive note pads — large and medium yellow pads — plus five coloured page markers. Its 10 x 7.5 x 1.2 cm dimensions make it convenient to slip into a pocket, bag or drawer.

The rigid cover protects the pads and provides a stable writing surface when away from a desk. The individual pads adhere securely yet peel off cleanly for everyday use. Made from paper, the item requires no special care and can be recycled according to local guidelines.

Customisation options suitable for businesses, clubs, schools and events: available in digital printing or pad printing. Minimum order: 75 pieces (colours and sizes combined). A practical promotional gift or branded stationery item for conferences and internal use.
