DESCRIPTION

The Mondal glass globe trophy is a round desk accessory crafted from soda-lime glass. Its flat, stable profile makes it easy to display on a desk or shelf; the half-globe relief embedded in the glass creates subtle depth and light refraction. Supplied in a classic gift box, it is suitable as a corporate award or presentation piece.

With polished edges and a slim silhouette, the trophy is straightforward to handle and clean with a soft cloth. Its compact dimensions (Ø12 x 11.5 x 3.7 cm) ensure it sits neatly on any flat surface. Available in several colour options, it remains a restrained and professional choice for awards, client gifts and ceremonies.

Customisation is available by tampography or laser engraving, both ideal for durable, refined marking on glass. Suitable for companies, associations, clubs and events looking for a personalised desk accessory. Minimum order: 9 pieces (colours and sizes combined). Our studio can prepare or vectorise your logo and we provide a free weekday quote.
