DESCRIPTION

Practical polyester drawstring bag (190T) suited to events, trade shows or everyday use. This unisex model measures 36 x 40 cm and provides a lightweight main compartment that folds flat for storage. The PET fabric gives a smooth surface ideal for printing and is easy to wipe clean.

The bag features reinforced corners with metal eyelets and pull cords that serve as both shoulder straps and closure. Simple edge seams and the absence of additional fastenings make it compact to store and straightforward in daily use.

Customise this personalised drawstring bag using flex, screen printing on object, multicolour transfer, DTF printing or sublimation. Recommended for companies, sports clubs, associations, schools, youth movements and promotional events. Minimum order: 100 pieces (colours and sizes combined).
