DESCRIPTION

Foldable unisex umbrellas with 8 panels in polyester 190T and a silver lining to improve rain protection. The Cardif features a metal shaft of 51 cm and a deployed diameter of around 96–98 cm, offering compact, personal coverage that's easy to carry. A matching sleeve is provided for neat storage after use.

The compact cylindrical handle with wrist strap gives a secure grip on the move. The metal frame provides good rigidity for a folding umbrella, while the panel seams and lining help water run off effectively. Available in several colours, for example Black, Royal Blue and Red. Minimum order: 20 pieces (colours and sizes combined) — this item cannot be ordered per piece.
