Average weight	0.071
Dimensions	31,5 x 16,5 x 2 CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

Unisex quilted cotton oven mitt designed to protect the hand when handling hot cookware. The outer cotton layer combined with a rubberised inner section improves grip and thermal protection; compliant with EN 407. Size: 31.5 x 16.5 x 2 cm. Available in several colours, for example green, red or black.

The Neokit model features diamond quilting that evens out the padding and maintains flexibility. A small hanging loop provides practical storage. Visible details include regular stitching and a darker palm-side lining to hide marks from use. Care: wash according to cotton care instructions (see label).

Personalise this personalised oven mitt with multicolour transfer, DTF printing, flex or embroidery to suit your needs. Ideal for businesses, sports clubs, associations, events and private customers; minimum order quantity: 50 pieces (colours combined). Our graphic studio can vectorise or retouch your logo.
