DESCRIPTION

The Stavenger fleece blanket is designed for home and outdoor use: a lightweight, cosy blanket made from PET, measuring 150 x 120 cm, with a nylon carry handle and strap for easy transport. Its simple cut and soft fleece surface provide comfort and compact storage. Available in several colours, for example blue, grey or red. Minimum order: 8 pieces (colours and sizes combined).

The model includes a strap to keep the blanket rolled and a reinforced pocket on the strap to aid handling and carrying. Neat edge finishes reduce fraying; care is straightforward for the indicated synthetic material.

Personalisation available for this personalised blanket using screen printing (object), multicolour transfer, DTF printing, flex and embroidery. Suitable for companies, sports clubs, associations, events and promotional gifts. Free quote within 24 hours on weekdays — our graphic studio can retouch or vectorise your logo.
