DESCRIPTION

The Kitab Glasgow apron is made for everyday use in kitchens, catering or at home. It is a full bib design (65 x 90 cm) in cotton, providing good coverage of the chest and upper thigh area. The model shown has a simple neck strap and long waist ties for easy adjustment and a secure fit; the cotton gives a natural feel and breathable wear.

There is no visible front pocket on this apron, which keeps the design clean and easy to maintain. Cotton is suitable for machine washing and retains its shape with normal care. The apron is offered in several colours — for example Black, White or Red — among 13 available shades.

This item is ideal as a personalised apron for restaurants, hotels, schools, associations, events and private orders. We can apply customisation by embroidery, screen printing, multicolour transfer, DTF printing and flex (broderie = embroidery ; sérigraphie = screen printing ; transfert = transfer ; flex = flex ; impression DTF = DTF printing). Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and standard production according to our usual lead times.
