DESCRIPTION

The Travelplus travel set includes an inflatable PVC pillow with a soft-feel finish, an eye mask and earplugs, all supplied in a compact pouch (dimensions 18x12 cm). Designed for on-the-go comfort during flights, train trips or car journeys, the set is available in several colours, including grey and blue, and packs down small once the pillow is deflated.

The eye mask features an elastic strap for a secure fit and the pillow inflates and deflates quickly for easy storage. Earplugs help reduce ambient noise and the pouch keeps all items organised and protected while travelling.
