DESCRIPTION

The Travelconfort inflatable pillow in PVC (42x27 cm) is designed to increase comfort on car, train or plane journeys. Its enveloping shape with a central cut-out supports the neck to help reduce strain; a velvet pouch is included to protect the pillow and make it easy to carry. The item is available in several colours, such as Blue and Grey, and can be wiped clean with a damp cloth.

Its compact design deflates and stores in the pouch to save space in luggage. Welded seams and the inflation valve suit mobile use: lightweight, foldable and convenient for frequent travellers.

Customisable for corporate gifts, events, clubs and private customers; minimum order applies: 50 pieces. Available printing methods: transfer, DTF printing and flex. Free quote within 24 hours on weekdays, standard production and collection at our Evere workshop or delivery in Belgium, France and Luxembourg. personalised travel accessory
