DESCRIPTION

The "Tea Time" set includes a 400 ml teapot and a matching cup in porcelain, ideal for single-serve tea or infusions. The teapot's rounded silhouette and spout provide a steady pour, while the handle offers comfortable grip. The glossy ceramic finish gives a smooth surface that's easy to clean.

Presented in an individual black gift box, the set is suitable for events or welcome packs. The pieces nest for compact storage: the teapot sits on the cup to save space. Its compact dimensions (12.5 x 12.5 x 13 cm) make it practical for individual use.

Customisation is available by screen printing on objects or sublimation. Ideal for companies, sports clubs, associations, events and private customers looking for a useful personalised tea and coffee set. This item has a minimum order of 5 pieces (colours and sizes combined); smaller quantities can sometimes be produced with additional charges.
