Dimensions	34,5 x 28,5 x 2,5 CM
Country of origin	China
Carton	25 pieces

DESCRIPTION

The Alberta notepad measures 34.5 x 28.5 x 2.5 cm and is made from recycled cardboard/paper, styled as a conference folder with integrated carry handles. Inside you'll find a 20-sheet lined notepad, two pads of adhesive notes, five coloured page markers and a pen holder with a matching ballpoint pen — a practical, structured material that feels natural to use.

The folio includes a profile pocket for documents, cut-out handles for transport and a snap-button closure. The internal layout is designed for quick note-taking during meetings or events; visible finishes such as stitched assembly and cut handles add to durability for regular use in professional settings.

This personalised notepad can be customised by digital printing, screen printing on the object or pad printing. Ideal for companies, associations, schools, clubs and events looking for a useful branded item. Note: promotional items have a minimum order quantity of 13 pieces (colours and sizes combined); smaller quantities are possible with additional fees. Free quote within 24 hours on weekdays and our artwork studio can retouch or vectorise your logo.
