DESCRIPTION

The Evernote A6 notebook is a compact, practical choice for notes on the go. It features a hard cover made from recycled paper and a glued spine, containing 192 pages (96 sheets) of recycled paper. The design includes an elastic closure and a ribbon bookmark, plus rounded corners for everyday convenience. It is available in several colours, for example orange, lime or black.

In daily use the hard cover protects the pages and provides a firm surface to write on. The glued binding offers stable opening behaviour and the elastic keeps the notebook securely closed during transport. Compact dimensions (14 x 9 x 1.4 cm) make it pocket- or bag-friendly. Care is straightforward: keep dry to preserve the recycled paper.

Personalise this personalised notebook by embossing, pad printing (tampography), digital printing or screen printing for objects. Minimum order: 50 pieces (colours and sizes combined) — smaller quantities can be arranged with additional fees. Free quote within 24 hours on weekdays; standard production, collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Our design studio can retouch or vectorise your logo.
