DESCRIPTION

The America sunglasses are a classic, PC-framed model offering UV400 protection for outdoor and leisure use. The timeless wayfarer-style shape suits many face types and provides comfortable all-day wear. Compact dimensions (14 x 4.6 x 14 cm) make them easy to carry and store.

The frame shows a clean finish with straight temples and discreet hinges for reliable fit. Small metal accents on the front add a subtle visual detail while keeping the design understated. The UV400-treated lenses deliver solid eye protection and are easily cleaned with a microfiber cloth.

These personalised sunglasses can be customised using Doming or pad printing to apply your logo or message. They are well suited to companies, clubs, associations and promotional events. Minimum order: 125 pieces (colours and sizes combined); smaller quantities may be possible with extra fees. Free quote within 24 hours on weekdays and a graphics studio is available to prepare or vectorise your artwork.
