DESCRIPTION

This single-wall stainless steel bottle holds 750 ml and is designed for everyday use. Its straight shape and Ø7 x 26.5 cm dimensions make it easy to fit in a sports bag or cup holder. A rubber grip around the body improves handling and the cap includes a carabiner for quick attachment — the carabiner is not suitable for climbing. As a single-wall bottle, some heat transfer between contents and exterior can still occur.

The bottle is leak-resistant and finished in a two-tone look, available in several colours such as blue and matte silver. The cap features a cut-out for easier handling and carabiner attachment. The size and grip make it practical for outdoor use and commuting. Dimensions: Ø7 x 26.5 cm, capacity 750 ml.

This personalised bottle is ideal for companies, sports clubs, associations and events. We can brand it using digital printing, laser engraving, screen printing on objects or pad printing. Minimum order: 13 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio is available to prepare or vectorise your logo.
