DESCRIPTION

The Glow double-sided magnetic mirror is a compact care product designed for on-the-go use. Square in shape and measuring 5.5 x 5.5 x 1 cm, it features sodalime glass mirrors with a protective PU cover. Lightweight and pocketable, it’s handy for quick makeup checks or personal grooming while travelling. The mirror is offered in several colours, for example Black and White.

The unit opens smoothly and lies flat for comfortable use; the PU-covered lid gives a neat finish and protects the metal frame. Care is straightforward: wipe glass and PU exterior with a soft cloth to remove fingerprints and keep the item presentable.

Customisation is available by tampography and digital printing, making this personalised care product suitable for companies, events, clubs, associations and private customers seeking a practical promotional item. Minimum order: 100 pieces (colours and sizes combined). Request a free weekday quote to proceed.
