Reference	7529
Composition	Paper
Material	Paper
Average weight	0.11
Dimensions	9,5 x 6,5 x 1,8 CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

A compact tin case containing a standard 54-card deck, designed for indoor games and leisure. The cards are made of paper and the metal tin provides sturdy protection for storage and transport. Its small footprint (9.5 x 6.5 x 1.8 cm) makes the set easy to carry or store.

The tin features a removable lid and a snug interior that keeps the cards neatly in place. The card faces show crisp indices and suits; the set has a simple, discreet finish and is low-maintenance — a soft cloth is enough to clean the tin.

Customise this deck for events, clubs, associations or corporate gifts with laser engraving or pad printing (tampography). Please note the product is available from a minimum order of 50 pieces (colours and sizes combined). Suitable for businesses, sports clubs, associations, schools and private customers seeking personalised games.

COLOURS (1)

Matte Silver
