DESCRIPTION

The Monte Lema backpack is designed for everyday use and outdoor activities, unisex, measuring 29x16x46 cm. It features a contrasting front panel and decorative cord that create a technical look; padded back and shoulder straps provide comfortable wear. The stated material is PVC, and the product photo shows a sturdy finish with mesh side pockets and a top carry handle for easy transportation.

The main compartment opens with a full zip; the front includes an elastic bungee system and a central strap with a buckle, useful for securing a jacket or small items. Side mesh pockets keep a bottle within reach and the reinforced base improves durability in regular use.

This personalised backpack is suitable as a promotional item: marking options include flex, screen printing on objects, multicolour transfer and DTF printing depending on the area and finish required. Minimum order quantity: 13 pieces (colours and sizes combined) — recommended for companies, sports clubs, associations, events and private customers seeking a practical, customisable backpack.
