DESCRIPTION

Compact stationery set in a translucent PP case, designed for office use and travel. The slim case (9.5 x 6 x 2 cm) contains a tape dispenser, mini stapler, hole punch and around 300 staples — a handy kit for everyday desk tasks. The rounded shape and hinged lid keep the contents secure and protected.

The interior is compartmentalised to keep each tool in place, and a small loop allows attachment to a keyring or bag. The translucent material makes it easy to check the contents at a glance. It is simple to clean with a damp cloth.

Suitable for customisation by digital printing or tampography (pad printing), this set is practical for companies, clubs, associations, events and promotional giveaways. Note: minimum order quantity 75 pieces (colours and sizes combined). YourVisualHere provides a free quote within 24 hours on weekdays and offers a graphic studio to prepare your logo.
