DESCRIPTION

Compact toiletry bag in high-density PET designed for storing toiletries and small care items. The 20 x 7 x 15 cm format provides practical capacity while remaining easy to carry; the robust material ensures light weight and simple maintenance. Suitable for travel, gym use and business trips.

The photo shows a well-organised interior: a hanging hook on the flap, several zipped compartments and mesh pockets to keep items separated and visible. A full perimeter zip allows the bag to open flat for easy access. Available in several colour options.

Customisation is available for companies, sports clubs, associations, events and private customers. Marking techniques include multicolour transfer, DTF printing and flex. Minimum order: 25 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo on request.
