DESCRIPTION

Compact PU stress cube designed for children and promotional giveaways. The Squarax model measures 4.5 x 4.5 x 4.5 cm and features square faces with slightly rounded edges for an easy, comfortable grip. Its small size makes it lightweight and practical to distribute at events or include in welcome packs.

The visible finish is smooth and firm, with no added parts or moving elements, which keeps maintenance simple. It is offered in several colours — for example blue, red and yellow — and stacks neatly on reception counters or fits into bags without taking much space.

Customisable for companies, schools, clubs and events, the Squarax takes personalised indoor game decoration by flex, laser engraving, multicolour transfer, DTF printing and pad printing. Minimum order: 100 pieces (colours and sizes combined). We provide a free quote within 24 hours on weekdays and a graphic studio to prepare or vectorise your artwork.
