DESCRIPTION

This PP keyring comes in a capsule shape (Ø4.1 x 10 cm) and holds a roll of 10 dog waste bags, practical for daily walks. Its compact design, screw-off base and attached carabiner make it easy to clip to a lead, bag or belt. Manufactured from polypropylene, it is simple to wipe clean and suited to normal outdoor use.

The capsule unscrews for quick replacement of the bag roll; a side aperture lets you pull out a bag without fully opening the dispenser. The finish is neat and the size remains discreet when attached. Available in 1 colour: white. This item cannot be ordered per piece: minimum order 100 units (colours and sizes combined).

Customisation is available by pad printing or digital printing depending on the printable area. Ideal for businesses, local authorities, dog clubs, events and promotional giveaways — we provide a free quote within 24 hours on weekdays and offer artwork preparation if required.
