DESCRIPTION

This unisex 6-panel cap in 100% cotton has a structured fit with a curved peak, offering a casual yet tidy look. Comfortable for everyday wear thanks to its natural fabric and six-panel construction, it is easy to care for as typical of cotton. The cap comes in several colours, for example BLACK, NAVY and BEIGE, and is supplied in one adjustable size.

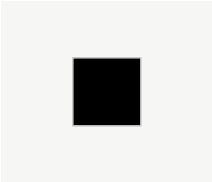

The cap features a snapback closure for simple, reliable sizing. Visible details in the photo include neat stitching and a shape-retaining construction. The curved peak provides practical shade when worn outdoors.

The personalised 6-panel cap can be produced from a single piece using techniques such as embroidery, screen printing transfers, DTF printing, flex or Transfert MSO. Suitable for companies, sports clubs, associations, events and private customers looking for branded headwear or team accessories.
