DESCRIPTION

Stainless steel bottle opener, model Barry, with a gently curved profile designed for effortless bottle opening. The flat, slightly arched shape provides a comfortable grip and straightforward handling. Dimensions: 16.5 x 3.6 x 1 cm; material: stainless steel. Available in several colour options (e.g. matte silver). Suitable for regular use in businesses, bars or at home and simple to clean by hand.

The opener features a matte finish and rounded edges as shown in the photo, with no moving parts or delicate mechanisms. Its slim, compact design makes it easy to store in a drawer or include in a gift pack. There is no attachment ring on this model — a plain, durable accessory focused on function.

Can be personalised by laser engraving or pad printing, and is ideal for companies, sports clubs, associations, events and individuals. This product cannot be ordered per piece: minimum order 50 items (colours and sizes combined). Free quote within 24 hours on weekdays and an in-house design studio can vectorise your logo. Personalised bottle opener available by laser engraving or pad printing.
