DESCRIPTION

This paper desk accessory in a light-bulb shape is made from recycled card and includes two sets of sticky notes: five coloured page markers and a medium sticky note pad. Its compact 22x6 cm format features a U-cut to act as a bookmark and a 13 cm ruler for quick measurements. Material: paper. Please note: this item cannot be ordered individually — minimum order 250 pieces (colours and sizes combined).

The finish is straightforward and practical: a thin rigid card with rounded edges and a simple printed motif at the bulb head. The coloured markers are useful for flagging pages and reminders, while the card provides a firm writing surface. Care is limited to light dusting; intended for everyday office, school or promotional use.

Customisation is available by digital printing or pad printing to add your logo or message on the card or alongside the ruler. Perfect for companies, clubs, schools, associations and promotional events. Free quote on weekdays.
