DESCRIPTION

The Triangulo highlighter is a triangular ABS marker designed for quick highlighting in documents. Its flat, stable shape prevents rolling and makes it easy to position on a desk. The compact dimensions (7.5 x 7.5 x 1.3 cm) keep it unobtrusive in pencil cases or promotional packs; the pen contains three ink colours (yellow, fuchsia, orange) and is simple to keep clean with a dry cloth.

The triangular body provides a secure grip and good control when marking. Robust ABS construction with smooth finishes and rounded tips to protect the nib. Lightweight and practical for everyday office use or event giveaways.

This personalised highlighter can be customised by digital printing or tampography. Minimum order: 250 pieces (colours and sizes combined) — see the product page for the exact requirement. Suitable for companies, sports clubs, associations, events and private customers. Our graphic studio can refine or vectorise your logo; free quote within 24 hours on weekdays. Collection from our Evere workshop or delivery across Belgium, France and Luxembourg.
