DESCRIPTION

At 8 x 2.5 x 5 cm it is a compact, easy-to-handle indoor item suitable for children and ideal as a giveaway at events, schools or family occasions. It is available in several colours, including blue and white, and works well as a personalised indoor game.

The moulded profile features gently rounded edges for a pleasant feel; the lightweight, resilient PU keeps its shape under repeated use and the surface is simple to wipe clean. Its small footprint makes it convenient as a promotional gift, prize or stand giveaway.
