DESCRIPTION

Men's trousers with a tailored, slim fit designed for professional wear. The flat-front cut creates a smart profile while the polyester/viscose/lycra mix delivers stretch and durability for comfortable all-day use. Available in several colourways including Denim and Sand, sizes range from 36 EU to 48 EU.

The design features a hook-and-button fastening, angled side pockets for easy access and a buttoned hip pocket for secure storage. The trouser hem is left unstitched to allow precise finishing to length. The technical fabric composition makes care straightforward and helps the garment retain its shape.

These personalised trousers can be customised from one piece using embroidery, flex, DTF printing, screen printing or transfer. Ideal for companies, sports clubs, associations, schools and private clients. We offer a free quote within 24 hours on weekdays and a studio to vectorise or refine your logo.
