DESCRIPTION

The Byron ballpoint pen combines bamboo and ABS with a metal clip, offering a comfortable cylindrical grip (Ø1.1 x 13.5 cm). The natural bamboo barrel gives a warm feel while metallic and plastic accents provide durability. It comes with blue ink and a soft stylus tip; care is simple — wipe with a dry cloth to preserve the natural bamboo surface which may show slight variations.

The pen features a push mechanism, a sturdy metal clip and a chrome-finished tip ring. The bamboo grain varies between pieces, making each pen slightly unique. Suited to everyday office use, conferences and promotional giveaways where a sustainable look is desired.

This item can be personalised for businesses, associations, schools and events using screen printing, laser engraving, pad printing or digital printing.
